

## Internet Acceptable Use Policy

Individual users of the Internet are expected to abide by the generally accepted rules of network etiquette.

**The following rules are not permitted:**

- Sending or displaying offensive messages or pictures
- Harassing, insulting, or attacking others
- Damaging computers, computer systems, software, or computer networks
- Violating copyright laws
- Employing the network for commercial purposes
- Using another's ID password
- Intentionally wasting limited resources (paper, ink, etc.)

**Remember:**

- NO food or drink at or near the computers!
- Do not share your personal information on the internet.
- Only The Wave Staff are permitted to load software on computers.
- Computer usage is a privilege not a right.

I understand and will abide by this Acceptable Use Policy. I further understand that any violation of the regulations above may cause my access privileges to be revoked and may result in appropriate legal action against me.
