

COVID-19 ACKNOWLEDGEMENT OF RISK FORM

Our goal is to provide a safe environment for the youth, our staff, and our volunteers. This document provides the information we ask you to acknowledge and understand regarding the COVID-19 virus.

COVID-19 is a serious and contagious disease. You can contract COVID-19 from a variety of sources.

COVID-19 has a long incubation period. A person may have the virus and not show symptoms yet still be contagious. Detecting who is infected is still challenging.

I confirm I have read this notice. I confirm that I understand and accept there is a risk of contracting the COVID-19 virus at The Wave Youth Center or our events. I further understand and accept that I could contract COVID-19 from a source outside of The Wave Youth Center.

I have read and I understand this information stated above.
